4th SENET – IPMA Regional Conference on Project Management – Central & South - East Europe “Project Management for Society Development”

2nd CALL FOR PAPERS AND PRESENTATIONS

THE HISTORY

SENET Association was founded in 2000, with the aim to promote and facilitate development of the Project Management profession in the regions of Central and South - East Europe. SENET now brings together IPMA member associations from Poland, Czech Republic, Slovakia, Hungary, Slovenia, Croatia, Serbia, Bosnia and Herzegovina, Romania, Bulgaria, Greece and Turkey. The first SENET Conference was held in Ljubljana, Slovenia and it was dedicated to "Regional Development and Restructuring Projects". The second Conference was organized in Cavtat, Croatia and focused on “Development of Project Management Profession in Transition Economy”, while the third one presented the topic “Project Management paving the way to the European Union” in Bratislava, Slovakia.

CONFERENCE TOPICS

There are several main topics covered by the 4th SENET Project Management Conference:

- Project Management for Driving Business Success and Serving Community Needs
- Advancing PM Competences
- Regional Projects – Multi Win Opportunity for Stakeholders
- PM Certification – Future Trends
- Products and Services for PM Profession Support
- Research in PM – State of the Art and Future Trends
- PM in Practice

CONFERENCE GOALS

- endorse the development of the project management profession in the region
- employ the potential of the project management profession for society development
- share experiences and practices suitable and proven in project management
- learn about the recent trends in project management
- present new ideas, concepts, methods and tools gathered through research or practice
- provide stronger visibility of the project management profession in the region

KEYNOTE SPEAKERS and INVITED SPEAKERS

- ✓ Jesus Martinez Almela, Spain, IPMA President – “The Forgotten Project Management”
- ✓ Joop Schefferlie, The Nederland’s, IPMA Vice President, “Agile Leadership”

- knowledge about the PM products and services
- collection of information or participation in IPMA 4LC certification (local participants)
- knowledge on the current and future trends in the PM profession development
- planning joint projects and activities

IMPORTANT DATES FOR SUBMITTING PAPERS OR WORKSHOP PROPOSALS

The Conference is composed of two main streams. The first stream is reserved for presentations submitted by academics and practitioners. Academics should submit papers, which will be reviewed, while practitioners choose between paper and presentation or presentation only. All accepted papers/presentations will be published in a proceeding book in electronic form within 3 months after the Conference. Academic papers will be sent to double blind review prior to acceptance and publishing.

- **Deadline for submitting full papers and/or presentations**
May 1st, 2018
- **Deadline for submitting final revised papers and/or presentations**
June 1st, 2018

Submission of papers and presentations should be sent to: senet@capm.hr

The planned time for each presentation is 30 minutes and it includes Q&A. The best papers will be selected for publishing in expanded form, in the OTMC journal (<https://www.degruyter.com/view/j/otmcj>), European Project Management Journal (<http://epmj.org/>) or Organizacija - Journal of Management, Informatics and Human Resources (<http://www.degruyter.com/view/j/orga>).

The second stream is planned as a series of workshops or interactive presentations (includes presentations, discussion and Q&A):

- **Workshop proposal and approval by May 15th, 2018**
- **Preparation and delivery of materials June 1st, 2018**

Submission of workshop proposals should be sent to: senet@capm.hr
